

## Early Years SLT Training Course 3: Learning Language in Small Groups in Early Years Settings - LEVEL 1, 1 day course

**Overview:** Practical ideas for planning and running small group activities to develop children's language and communication skills.

**Suitable for:** All Practitioners working in Early Years educational settings.

### Key learning outcomes from this course:

- ★ Learn how to use the Early Years SLT monitoring tool to identify children who will benefit from additional support with their speech and language
- ★ Develop an understanding of how to plan and run small group, adult-led activities to develop children's language skills
- ★ Learn strategies you can use to help children learn new vocabulary and have fun with words
- ★ Develop an understanding of how to effectively use visual support and Makaton signs in small group activities
