Dear [REDACTED]

Freedom of Information Act 2000 request:

With reference to your request for information, dated 13 April 2016, made under section 1(1) of the Freedom of Information Act, I am writing to inform you of the outcome of your information request.

You asked the following:

'I am writing to you to make a request for the following information in regard to Herts and Essex Community Hospital, as managed by Central London Community Healthcare NHS:

- a) the total actual and projected nominal cash costs of this PFI contract, including all projected adjustments for inflation (reflecting the basis on which the unitary charge is indexed to inflation, as agreed in the contract), along with start date and completion date;*
- b) for each year of the contract, the total actual and projected nominal cash costs of this PFI contract, including all projected adjustments for inflation (reflecting the basis on which the unitary charge is indexed to inflation, as agreed in each contract);*
- c) for each year of the contract, the non-service element of the total actual and projected nominal cash cost of each PFI contract, estimated as above;*
- d) the pre-tax nominal Project Internal Rate of Return and the pre-tax nominal Equity Internal Rate of Return, as calculated at the start of the contract, and as projected by the relevant SPV as of today.'*

Our response:

Unfortunately, Central London Community Healthcare NHS Trust does not manage the hospital in question nor does it have any PFI contracts. Therefore we are unable to provide the information requested.

This completes our response to your request for information. If you are unhappy with our response, please write to us giving your reasons and we will address them. If you remain dissatisfied you are entitled to appeal to the Information Commissioner:
