

Early Years SLT Training Course 2: When To Refer To Early Years Speech and Language Therapy

Overview: This course provides practical advice and guidance on when and how to refer to the Early Years SLT service children who need further support with their Speech, Language and Communication skills.

Suitable for: All Practitioners working in Early Years educational settings.

Key learning outcomes from this course:

- ★ Revise your knowledge of speech, language and communication developmental norms for children from birth - 5 years of age
- ★ Learn how to identify children's Communication Needs and strategies to support them
- ★ Know when and how to make a referral to the Early Years SLT service
- ★ Have the opportunity to discuss conversations that you find challenging with parents when advising a referral to Early Years Speech and Language Therapy Services
