Elizabeth Welch	CBU manager (job share), children's integrated complex care	Trustee and Charitable Company Director - also employee part time	Unstated but is a long term position	05.12.18	Trustee and Charitable Company Director of Westbourne Park Baptist Church, Porchester Road, London, W2 5DX, where I am also employed part time. The church has premises that have in the past been booked by CLCH. We have a new building opening (hopefully) in February 2019, which could potentially be booked by CLCH for meetings and events, so I just want to declare my interest in that organisation, in case it could be seen as a conflict of interest if teams I manage place bookings for rooms in the church building. Separate entry made on the employment register
