Our response:

Central London Community Healthcare Does not operate an A&E department. This information is not recorded anywhere specifically in relation to patients attending at our walk in centres. The only way we would be able to identify this information would be to go through each patients notes individually for the requested time periods, therefore It is not possible to provide the information requested due to the information exceeding the cost of compliance limits identified in Section 12.

This completes our response to your request for information. If you are unhappy with our response, please write to us giving your reasons and we will address them. If you remain dissatisfied you are entitled to appeal to the Information Commissioner:
