

Facility Time Publication Requirements for the reporting period 1 April 2017 to 31 March 2018 at Central London Community Healthcare NHS Trust

Introduction

On 1 April 2017, the Trade Union (Facility Time Publication Requirements) Regulations 2017 came into force. The Regulations require the Trust, as a NHS body to collate and publish on an annual basis, a range of data on the amount and cost of “facility time” within the organisation.

The current reporting year is for 12 months from 1 April 2017 to 31 March 2018.

Facility Time

Facility Time is the provision of paid or unpaid time off from an employee’s normal role to undertake Trade Union duties and activities as a Trade Union representative. There is a statutory entitlement to reasonable paid time off for undertaking Trade Union duties. There is no statutory entitlement to paid time off for undertaking Trade Union activities.

Facility Time Information

The facility time data the Trust is required to collate and publish under the 2017 regulations are:

- Table 1: the number of employees who were relevant union officials during the relevant period, and the number of full time equivalent employees
- Table 2: the percentage of time spent on facility time for each relevant union official
- Table 3: the percentage of pay bill spent on facility time
- Table 4: the number of hours spent by relevant union officials on paid trade union activities as a percentage of total paid facility time hours.

The data has now been collated for the reporting year 1st April 2017 to 31st March 2018 and is shown below.
