Dear [REDACTED]

Freedom of Information Act 2000 request: Maternity Wards

With reference to your request for information, dated 19 April, made under section 1(1) of the Freedom of Information Act, I am writing to inform you of the outcome of your information request.

You asked the following:

Which commercial organisations are permitted to promote or distribute their products or the products of other organisations in the Trust's maternity wards; what revenues accrue to the Trust from that activity; and what evidence is there that patients welcome such activity?

Our response

We are unable to provide you with the information being requested as Central London Community Healthcare Trust does not have a maternity unit.

This completes our response to your request for information. If you are unhappy with our response, please write to us giving your reasons and we will address them. If you remain dissatisfied you are entitled to appeal to the Information Commissioner:
