We're
building a spaceship... with
a window... and an astronaut.
What's an astronaut?

Feed your child's hungry little mind

Hungry Little Minds is a Government campaign giving parents ideas to boost your child's learning. Search online for Hungry Little Minds.

Top Tips... at home

Daily tasks to do with your child

- Talk about what you are doing and why you are doing it.
 - When hanging up the washing, you could say: 'The clothes are wet, let's hang them up to dry.'
 - Give them simple tasks like passing you the socks. Praise them for helping.
- Read picture books together.
 - Talk about the things they can see and how we use them. For example: 'A bed is something we sleep in.'
- Make a photo-book of funny or memorable family events and talk about it with your child.

Top Tips... on the go

When you're out and about

- Build on what your child says about what they can see
 - When they say 'Big bird!' you can say: 'Yes, it's a big, noisy bird called a crow.'
- Talk to your child about what has happened so far in the day
 - For example, 'We went to the shops this morning, didn't we? We bought some apples.'
 - And talk about what is going to happen next: 'After lunch we'll do the washing up.'
