**Freedom of Information Act 2000 request: ICT Expenditure**

With reference to your request for information, dated 14<sup>th</sup> June 2016, made under section 1(1) of the Freedom of Information Act, I am writing to inform you of the outcome of your information request.

**You asked the following:**

*Please could you provide me with information about your ICT expenditure, as broken down in the attached template? I have included this template in order to make it easier for you to understand my requirements and provide answers.*

*Within the response, please include:*

- Expenditure from all parts of your organisation (central services and departments);*
- As well as your own organisation, expenditure for any subsidiary organisations that fall within the scope of your accounts; and*
- Both revenue (or operating) expenditure and capital expenditure*

**Our response:**

*The Annual IT budget for Central London Community Healthcare NHS Trust is £5,681,000.*

- Capital expenditure for 2016/17 - £3,700,000*
- Revenue Expenditure for 2016/17 - £1,981,000*

*Unfortunatley we are unable to provide the level of detail requested within the template you provided as Central London Community Healthcare NHS Trust does not readily hold that level of information and would exceed the statutory time limit in doing so.*

This completes our response to your request for information. If you are unhappy with our response, please write to us giving your reasons and we will address them. If you remain dissatisfied you are entitled to appeal to the Information Commissioner:
